FAQs

What medications can be delivered to my location?
Most medications in stock in our pharmacy can be filled—prescription, over-the-counter, liquids, vitamins and much more! Some restrictions may apply.

What if I have several deliveries a month?
Your medications can be synchronized into one (1) 30-day pick-up. This will free up time with less refill calls, fewer pick ups and improve your overall health. Contact the pharmacy for more information.

What if I have a paper prescription?
You can drop the script off at our store, you can email us an image of your script, or fax it to our store.

How do I pay for my prescriptions?
We will gather credit card information at the time we set up your account. You pay no additional fees for this service, just your normal co-pays if applicable, and all other items ordered will be charged to your credit card on file.

If you are interested and would like more information, contact your pharmacist today!

Benefits of LocalBox Delivery Service

Is your pharmacy open when you leave for work? Are you wasting your lunch hour on picking up prescriptions? Do you dread stopping to pick prescriptions up on your way home?

Your employer and local pharmacy have teamed up to provide you the convenience of a pharmacy right in your work place.

You will be able to pick up over-the-counter medications such as pain relievers, contact lens solution, even feminine products and supplements right when you need them.

Additionally, you can organize your medications into AdherePac to simplify your medication regimen with only one pick-up each month. Refills are processed with a 24-hour notice, or you can choose to pick them up in-store.

This service isn't just for you, you are able to fill scripts for all family members—children, spouse and aging parents. There is no additional charge for this convenient service.
